Day 1

Santiago

Arrive into **Santiago's** International Airport, where a private transfer will be waiting to take you to your hotel for the next 3 nights. This afternoon you have the chance to see Santiago in detail through an **afternoon City Tour** visiting all the key sites, ending with an optional "**Pisco Sour**", Chile's national drink.

Day 2

Santiago

After breakfast you will take a **day trip to Chile's coast**, 120 km from Santiago, passing through the **Curacavi** and **Casablanca valleys**, the latter known for the production of award winning wines. Then you will continue on to the legislative capitol of the country, the hillside port city of **Valparaiso** with its winding streets, and then on to the beach resort city of **Viña del Mar**, visiting its casino and beaches. You will get to enjoy a seafood lunch (price not included in program) before returning to Santiago.

Day 3

Santiago

Today you will have a **half day tour of one of the largest and most prestigious wineries** in Chile. The tour will give you the opportunity to learn about the history of winemaking in Chile, as well as that of the families who built these enterprises from the ground up. You will also get to taste just what makes their wines so successful. Tonight you can enjoy an **Easter Island themed Dinner Show**.

Day 4

Puerto Varas

Private transfer to the airport for your morning flight to the southern city of **Puerto Montt**. Transfer for the short drive to **Puerto Varas**, the "City of Roses", where you will check in your hotel with a view of the lake and volcanoes. You will have an **afternoon trip up the Osorno Volcano** or a **tour around the west side of Lake Llanquihue**, Chile's 2nd largest lake, giving you an insight into the daily lives of the original German immigrants who began settling in this far region during the 1850s. You will visit the lakeside towns of **Frutillar** with its open-air museum and **Puerto Octay** on the northern corner of the lake where you will have lunch. Then you will have the remainder of the afternoon and evening free in Puerto Varas.

Day 5

Puerto Varas

Today you have several options to choose from, including: (1) **Full day trip to the island of Chiloe**, where you will experience the unique culture and architecture, including the construction of houses over the water known as "palafitos", (2) **Full day trip through the Perez Rosales National Park, Petrohue Falls and on to Lake Todos Los Santos**, where you will take a catamaran across the lake, with unbeatable views

of both the **Osorno** and **Puntiagudo Volcanoes**, to **Peulla**, where you can have lunch (price not included) and optional activities before returning to Puerto Varas., (3) **Whitewater rafting** (level III) on the Petrohue River, (4) **Canyoning** down some of the many waterfalls in the area, (5) **Various full day trekking trips** among other activities.

Day 6

Torres del Paine

Transfer to the airport outside Puerto Montt for your flight down to **Punta Arenas**, where a representative from the **Hosteria Las Torres** will be waiting to transfer you all the way up into **Torres del Paine National Park** (approximately 5 hours), driving by **Puerto Natales** on the way, and reaching the hosteria in time for dinner. Once in the park you will begin your **3-night "Aonikenk Paradise" all-inclusive program**.

Day 7

Torres del Paine

Today you will wake up in the middle of a majestic environment, with plenty of time to take advantage of all the outdoor activities available and included in your program, not to mention the great meals and Chilean wines! We recommend taking a **full day hike** either around the back side of the "**Towers**" or right in front of the majestic "**Horns**".

Day 8

Torres del Paine

This morning after breakfast you will have the opportunity to get outdoors and try one of 25 or so activities offered by Las Torres, from **day hikes** to **horseback riding** to **tours around the park**, and even a **trip to see the Gley Glacier** on the other side of the park. Taking a boat trip to the face of the glacier is extra, but worth it as it will allow you to experience this huge glacier up close. Whatever you decide to do today, it will hopefully be a day you will never forget.

Day 9 (up to 13)
